MBIFE CHILDRENS COMMUNITY LIBRARIES

Welcome in!

Emily Joof is the founder and CEO of the **Mbife Foundation** in The Gambia. Their work focuses on creating reading programs, children's community libraries and supporting Gambian writers to create books that reflect their realities.

Introducing her new title
HALIMA SUPERHERO PRINCESS!

"In a world where the rights of girls are being threatened, we need to raise bold and brave girls who can use their voices and stand in solidarity for those who need it most. Writing allows me to address the injustice I see through kindness and creativity."

GAMBIA RIVER EXCURSION LTD.

Gambia is where more than 70 different species of water birds have been recorded.

Other scheduled trips are:

1. A day out fishing - with your catch being grilled on the boat or on your return to Lamin Lodge.
2. An afternoon on the river - with a lunch buffet on board and a swim stop in the river.
3. The Northbank Explorer: a day out on the North bank of the river Gambia, searching for dolphins and unspooling the life of the uninvited Dog Island.

For the guests of Janjanbureh Camp, we also offer a range of 1-day boat excursions to Kuntaur, Baboon Island and Sapi.
